

# BC NATURAL RESOURCES FORUM

*Our Resources - Our Future*

## THE BIGGEST FORUM YET!

The 21<sup>st</sup> Annual BC Natural Resources Forum (BCNRF) was a massive success thanks to the delegates, speakers, and sponsors that participated, supported, and attended!

This year marked the first sold-out event in 21 years, and the Premier of BC's 11th year in attendance. Delegates came from all over the country to attend Western Canada's largest natural resource event.

The 2024 Forum Advisory Committee extends a huge thank you to everyone that participated and supported this event. With over 1,400 participants, we are thrilled with the level of involvement and engagement that unfolded during the Forum.

**1,400+** Attendees

**72** Tradeshow Exhibitors

**740+** Organizations Represented

### 2024 Prominent Speakers

Delegates heard from fantastic speakers including:

**Hon. David Eby**, Premier of British Columbia

**Chief Dolleen Logan**, *Lheidli T'enneh First Nation*

**Hon. Johnathan Wilkinson**, Minister of Energy and Natural Resources Canada

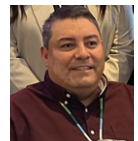

**Cynthia Hansen**, President, Gas Transmission & Midstream, *Enbridge*

**Matthew McClaren**, Assistant Vice President, *CN*

**Andrew Czornohalan**, Director of Energy and Strategic Partnerships, *Rio Tinto*

**Chief Trevor Makadahay**, *Doig River First Nation*

## SHAPING TOMORROW BC'S RESOURCE SECTOR AND FUTURE GENERATIONS

The 2024 BCNRF highlighted the importance of interconnected decision-making through meaningful partnerships between First Nations, Government, and the BC Resource Sector. With a primary focus on collaboration, synergy, and a sustainable legacy, the Forum facilitated discussions emphasizing the importance of collective efforts in shaping the future.

We encourage you to visit the event website to view a gallery of images captured by our professional photographer. Videos of all sessions will also be available via the conference app for 3 months following the event.
